BE OUR GUESTS!

We invite the community to join us on September 25th to see what STAR/PAL is all about! We will be following health guidelines and are requiring all visitors to wear masks. Small group tours will be available every 15 minutes where you'll get the chance to explore our facility, learn about our programs, and interact with booths from other local community organization. This event is free and open to the public and we will have awesome giveaways and opportunities for prizes!
